Dated 27th March 1953.

To

The Firms dealing in High Pressure Sterilizer.

Enquiry No. 11535.

Subject:—High Pressure Sterilizer.

Gentlemen,

No. S.P.C. 53971-4000. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions:—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellations of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for High Pressure Sterilizer" with the above enquiry number.

This enquiry will be closed on the 19th April 1953.

SCHEDULE.

Sl. No.		Quantity required	Price quoted F.O.R.
1.	Steam Jacketted Pressure Sterilizer, 20" inside diameter and 48" long for dressings, solutions, utensils in monel metal construction. Electrically heated 400 volts, 3 phase, 50 cycles supply.	...	...
	Horizontal Generator of bronze and copper fitted with electric heater controlled by a dialled switch and indicator, with pilot light which glows continuously only when current is on. When heat is turned on, full capacity of heater will operate until desired pressure is reached which will be automatically maintained with variation not to exceed one pound either way. The generator is equipped with float type water gauge.	One.	Bangalore.
	A low Water Cut-out.—All heat is automatically cut off if water depletes dangerously during sterilization, by a positive action float type cut-out.	...	...
	Thermometer of wide reading scale, graduated permanently accurate within one degree.	...	...
	Safety Door with Positive Action Lock:— The door must have automatic safety lock; when in use under pressure an internal clutch should engage with the hand wheel preventing disengagement of locking arms until pressure is exhausted.	...	...

N.B.—1. This enquiry supercedes the Enquiry No. 11354.
2. Rates for delivery F.O.R., Bangalore, including insurance and installation charges will be preferred.
3. Sales-tax, if any, should be quoted separately.
4. The quotations will be opened at 2 P.M. on the next working day after the closing date.
5. No enhancement in prices will be allowed after acceptance of the tender.
